**4-H Rules Apply**

## Here are some tips to keep in mind while at the SVRC Open Show at the TS Ranch and Arena in Loveland, CO.

- Arena Address: 2601 S Co Rd 19, Loveland, CO 80537
- We recommend larger trailers enter the grounds from the North so the turn in is easier to make. The entrance is on the west side of the road and leads into a pasture for parking.
- The show office is located behind the bleachers. Follow the signs to find it.
- No dogs allowed.
- No stallions allowed.
- Please follow all social distancing best practices.
- Bring a tent for shade. There are not many trees in the parking area.
- There will not be a concession stand but we are working on getting a food truck. Wendy's, Qdoba, Subway & King Soopers are all within 5 minutes of the arena.
- There are two port-a-potties located on the grounds.
- There is one water spigot located at the arena entrance gate. Bring your own water if you don't want to haul it back and forth to your trailer.
- Please pick up any and all trash around your trailer before leaving.
- Participants entered in Walk Trot classes cannot cross enter into any other classes.
- This is a private facility who has given us permission to use the grounds. Please help us to keep it clean. If you have any issues, please let the show office know.
- If you have ideas for how we could improve our shows please let us know!
